Dear Parents & Carers,

12th March 2021

Clubs for Summer 2021

As summer term starts, we know that certain safety criteria still have to be followed to keep children, families and staff as safe as possible. Once more, we are able to offer a limited club timetable. Year groups will participate separately and almost all club activity will take place outdoors. As before, any differences between class finish times and club start times will be co-ordinated within school.

- Please apply online **from 8pm tonight Friday 12th March.**
- Please be careful to select only a club that is applicable to your child's year group.
- The links you need are <https://rabinfants.parentseveningsystem.co.uk> and <https://rabjuniors.parentseveningsystem.co.uk>.
- Please note this is just the application stage - even though you receive a confirmation email, this does not mean your child has secured a space.
- If you do not have access to a computer, then please let the School Office know by the time and date shown below and they will be happy to help.
- **Applications must be made by 9am on Thursday 18th March**, from which point club spaces will be allocated. As always, where the number of applications exceeds the number of places available, we will draw names out of a hat.
- We aim to allocate all club spaces as soon as possible and to inform **you by Monday 22nd March.**

The table below shows the number of sessions we anticipate for each club and any prior commitments the club leaders may have. I'm sure you'll agree that this still proves great value for money. After the online application has closed, successful applicants will be notified and invoiced via Schoolcomms. Unsuccessful applicants will not receive an invoice or online payment request.

Payment: £20 per club which should be made between the dates Mon 12th – Fri 16th April and is non-refundable. If payment is not received before the deadline, your child's space will be offered to someone else.

*Bank Holiday Mon 3rd May. Inset Days Mon 7th June & Tues 8th June will mean that Mon & Tues clubs will go into another week at the end of the club run.

Energy Club for Reception Year focuses on exercise and games using agility, co-ordination, balance and lots of energy and fun!

Afterschool Multi Skill for Years 1 & 2 focuses on small sided games, working on agility, co-ordination and balance.

Year 3 & 4 Summer Sports comprises rounders (including kick rounders), cricket and hockey.

Year 5 & 6 Summer Sports comprises athletics, rounders (including kick rounders), cricket and softball/baseball.

If you think your child is in receipt of Pupil Premium funding and you feel you need some financial support to pay for a club, please contact Paul Belzar via the school office.

I am sure you'll understand that, under the current government criteria, it's still quite difficult for clubs to run 'as normal' and we hope that as many children as possible are able to participate in the activities we are offering.

Yours faithfully,

Emma Vincent
