Dear Parents & Carers,

7th March 2024

Clubs for Summer 2024

It is now time to think about which clubs your child would like to be part of in the Summer term and we have lots on offer!

- Please apply online **from 8pm, Wednesday 13th March**
- Please be careful to select only the clubs that are applicable to your child's current year group. You can apply for up to three clubs.
- The links you need are <https://rabinfants.schoolcloud.co.uk> and <https://rabjuniors.schoolcloud.co.uk>
- **Please note this is just the application stage - even though you receive a confirmation email, this does not mean your child has secured a space.**
- If you do not have access to a computer, then please let the School Office know by the time and date shown below and they will be happy to help.
- **Applications must be made by 9am on Monday 18th March**, from which point the application window will close and club spaces will be allocated. As always, where the number of applications exceeds the number of places available, we will draw names out of a hat.
- We aim to allocate all club spaces as soon as possible and to inform you by the end of term.

The club table shows the number of sessions we anticipate for each club and according to any prior commitments the club leaders may have. I'm sure you'll agree that this still proves great value for money. After the online application has closed, successful applicants will be notified and invoiced via Schoolcomms. Unsuccessful applicants will not receive an invoice or online payment request.

The full term's payment of £25 per club should be made by Thursday 28th March. Please note that ALL lunchtime clubs are free of charge.

All Free School Meal children will be given one free club next term if we receive an application. If you think your child is in receipt of Pupil Premium funding and you feel you need some financial support to pay for a club, please contact Paul Belzar via the school office.

Please see the below for our list of clubs for the Summer term.

***RAB Bounce** is a high energy exercise program on mini trampoline, with a safety T-Bar handle, choreographed to an eclectic mix of music tracks.

****Afterschool MultiSports for infants** focuses on small sided games, working on agility, co-ordination and balance.

*****Dance Club** – children work on a group dance routine which they perform in front of parents at the end of term, so commitment to this club is important so as not to let down fellow dance partners.

We hope you'll agree that, once more, we are back to a very varied choice of activities for your children and we look forward to receiving your applications.

Yours faithfully,
Emma Vincent
Executive Headteacher
