

## Please sponsor me to help run the length of the country in just one day!

On Friday 28th May, I'm going to help my school run, walk or skip the entire length of the country, from Land's End to John O'Groats. Yes, that's a massive **874 miles** or 4,370 laps of our school field.

But don't worry - I've got my RAB classmates to help me out! Each year group will be doing their bit to help us hit our target and all of our laps will be added together to complete our 'across the country' run!

	ely restock all of our classrooms and library with the sall subjects. If we each challenge ourselves to raise
Please sponsor me	to run, walk or skip the length of the country in aid o run laps of the school field to contribute to
Thank you!
